

The IDignity offices are on the second floor of the Trinity Evangelical Lutheran Church and School Building located at 427 N Magnolia Ave, Orlando, FL. There is a combination code to enter the building. Please call/text me when you arrive, and I will meet you downstairs.

Just a tip on spotting the turn to the building. After the 30 MPH speed limit sign, turn right into the **second** driveway (one with breezeway). Hope the above pic from Google street view is helpful.

PARKING

IDignity has a limited number of spots designated within the lot behind the building. Any spots designated for Tenant Parking are fine to park in. There is metered parking (max 2 hours) on N Magnolia. There's also limited, but free 2 hour parking on Amelia (the street just past our building).
